

SPRING FORWARD

Get inspired by the season of blossoms! Greens sprout all around us in the form of budding plants, as a rainbow of flowers begins to bud. In this installment of *B&B Extra*, you'll find three great projects to kick off your springtime beading.

For an intermediate beading challenge, combine a variety of stitches to make floral focal components suspended from flat spiral rope sections in Lorraine Coetzee's "Spring fling necklace" (p. 3). For quicker projects, weave colorful multi-shaped beads together in Debora Hodoyer's "Mosaic mirror bracelet" (p. 8) or her vivid "Tee for two earrings" (p. 12).

Whether you are looking for something straightforward or cleverly intricate, these designs will keep you captivated as you create them.

In this installment of *B&B Extra*, you'll find three great projects to kick off your springtime beading.
